NEW ARRIVAL!!

Perfect Quilt Thread from OESD

50 Beautiful Colors!

A message from Amanda Murphy
Bernina Quilting Expert

“I am so excited to be the Brand Ambassador for the Perfect Quilting thread line, manufactured by OESD and Amann.

I have been piecing and quilting with it secretly for months now and am thrilled it is now out in the world - and relieved not to have to be so careful to not talk about it too!

It is a 50 weight cotton-wrapped thread with a polyester inner core, so it has the strength of a polyester for high speed stitching, but the stability of a cotton!
(That means it won't stretch like 100% man-made threads.)

It isn't too thick either - this makes it an ideal thread for quilting and piecing.”
